Submitted by Kylie Baker on Mon, 29/09/2008 - 09:07.

The Centre for Fraud Management of HELP University College in collaboration with Economic Crime Institute, Utica College of the United States and the Association of Certified Fraud Examiners (ACFE) Malaysia Chapter will be organising its inaugural Economic Crime Conference on the 8th and 9th of October 2008 at Mandarin Oriental Hotel Kuala Lumpur, Malaysia.

“With the theme Economic Crime in Asia: A Global Perspective, the conference will further serve as a platform for experts to share their experience on the various challenges currently being faced within the industry and expose participants to latest developments and issues relating to Economic Crime” said Akhbar Satar Director Centre For Fraud Management and also the President of ACFE Malaysia Chapter President.

The main objective of the conference is to create a platform to showcase the latest in fraud related issues that may have an impact on the global environment. The conference promises an assembly of experts from various countries such as the United States, Australia, Singapore, United Kingdom and Malaysia.

Since its inception, the Centre for Fraud Management has been actively organising various fraud related seminars for the benefit of professionals involved in dealing with fraud related matters. Industry experts have been invited to share their knowledge in a wide variety of topics such as digital Forensics, Fraud interviewing and investigations and the implications of money laundering in the business environment.

Akhbar stated that the conference expects approximately 250 to 300 attendees hailing from various professions from different countries.
